Dear Ministry Leader,

On behalf of the Charis Fellowship, I want to thank you for your leadership and partnership in the gospel. In my 22 plus years as Fellowship Coordinator I am constantly amazed at the variety of our ministries that place a high value on Jesus and His truth, His mission, and His church.

While starting new churches, training leaders, and doing good for the sake of the gospel is our mission, there are administrative tasks and realities to just about any ministry. One of those tasks is finding affordable and effective liability insurance for our ministries and ministry leaders.

The Charis Fellowship has used Brotherhood Mutual to provide liability insurance for its officers and participants in its events like Access2021 and Focus Retreats for more than 30 years. More than 100 of our churches have chosen Brotherhood Mutual to insure their ministries rates.

Brotherhood Mutual Insurance Company works exclusively with Christian ministries. Besides property and liability, mission travel, vehicle and workers' compensation insurance programs, the company also offers risk management and ministry payroll services, as well as numerous free website resources. In addition, A M Best, the insurance rating company, has consistently awarded the company an "A" (Excellent) rating.

If you do not already use Brotherhood Mutual for your church insurance, and you want more information about Brotherhood Mutual and the many services the company offers, you can find it at www.brotherhoodmutual.com.

Sincerely,

Tom Avey
