## News from AssistCX During COVID-19

Dear ' Charis Fellowship,

We are hopeful that this email meets you with safety, good health and security in our Lord, Jesus Christ.

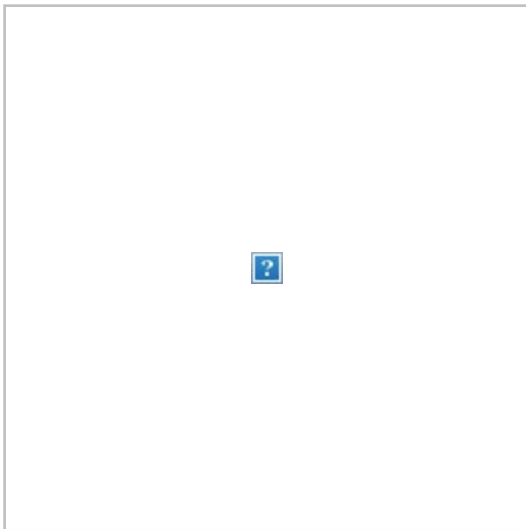

Clearly, we are living in unprecedented times. As the world works to manage the current Coronavirus pandemic, we felt it timely to send you a note of encouragement and an update on our ministry efforts.

Needless to say, we have been forced to reschedule the two [church training bootcamps](#) we had scheduled for this spring. We are likely to have both rescheduled for dates in the fall.

As most churches have been forced to do, we are taking some of our

training online by offering a [webinar on evangelism](#) on Monday, March 30. If you or someone you know is interested in participating, please use the button below to register.

## Evangelism Webinar Registration

On a positive note, just prior to the large group gathering ban, we were able to attend the Exponential Church Planting Conference in Orlando. Our group of 30 in attendance included a number of new contacts and potential church planters.

If you have not yet received it in the mail, you should expect soon our most recent newsletter. The focus of this newsletter is on the wide array of church revitalization opportunities that we have been working on. We are grateful for what the Lord has been doing to bring us new, godly leaders who are ready to help these churches see a new day and a hopeful future. Please continue to

pray for them. And if you can't wait for your mailed copy of the newsletter, you can [DOWNLOAD IT HERE](#).

As always, we appreciate your prayers and your ongoing support. You are an encouragement to us as we serve our King together. If there is anything we can do for you or if you have questions about the work we are doing, please do not hesitate to contact us. These days, we're pretty easy to track down!

#NotGoingAnywhere

With love and grace,

Nathan Bryant (and the Assist CX team)
