

Go2 Ministries Report
Submitted to the Fellowship Council of the FGBC
January 20, 2012

Thank you for the opportunity to share this report with you regarding the ministry of Go2 and the Lord's work in 2011 as well as goals and projects being addressed in the present year.

Go2 has three primary initiatives. These are –

Evangelize through the starting and establishing of new churches.

Equip leaders for church planting ministries.

Engage issues of Biblical justice and mercy to alleviate suffering and gain an audience for the gospel and provide a platform for church multiplication.

Our ten year goals are -

Begin 5,000 churches in the United States and its People Groups.

Believe God for the conversion of 500,000 new believers.

Become a servant to 50 million Americans.

How Are We Attempting to Do This?

1. Prayer. We have created a prayer map and prayer apps that will enlist 500,000 people across the world to pray for the United States.
2. Partner. Our desire is to partner with 1,765 churches or groups in our Circles of Grace program, with each partner praying and working with us to see 2-3 churches started in that circle in the next decade.
3. Promote. We will be working with multiple "social entrepreneurs" who are marrying socially beneficial marketplace business with ministry initiatives. In so doing, we believe we can help serve others and meet pressing human need.

How Are We Doing?

- Our prayer initiative is underway, the map is available at www.go2ministries.com/pray To increase awareness of the map we held a Prayer Summit in Orlando on January 9,10 with representatives from the FGBC Districts. We had a total of 24 people representing 12 of our Districts. (1)
- We have signed on 27 local churches to pray to date and to partner with us for the Circles of Grace initiatives. We have 1,738 Circles to go. Our staff has 12 meetings scheduled this year to continue this effort and will be in conversations with more than 500 churches by year end in populating the map with prayer and church planting partners. (1)

- Last years connections led to three new Grace Brethren Churches making application to the FGBC. We are presently working with 12 church planters or groups that are considering membership. (1)
- We are in process with 7 of our partners in designing church planting plans for our circle partnerships. Our time will be spent helping each partner realize their church ministry dreams for the circle they choose. Go2 may at times function as an initiator of a project, but most efforts will be to facilitate or support the local church or ministry dream that emerges from the partnership. (1&2)
- We have partnered with business leaders to provide Grounds4Good coffee to the United States marketplace. www.grounds4good.com These coffees alleviate poverty in Laos, Uganda, and Guatemala. Proceeds from the sale of this coffee are also used to provide funding for church planters who partner with Go2 to reach one of the Circles of Grace. (3)
- Go2 continues to function as a ministry Start Up and is aggressively pursuing donors and building its donation lists. We continue to have enough to remain viable and are trusting God to provide, as He has shown Himself so faithful to do in support of our ministry needs. We appreciate our partner donors who make this possible as God leads. We are prayerful that we will continue to be able to operate as we move forward in 2012.
- Our Core Definition of a Local Church which defines our efforts is -

“A group of people desiring to be a church, under the Direction of Biblical Leadership as defined in 1 Timothy 3, who practice the ordinances, and who are committed to the proclamation of the gospel and missional practice.”

Sincerely,

Dr. Timothy Boal
Executive Director
